Our mission is to support and empower families affected by autism spectrum disorders. We work to identify services and activities specific to their needs. Our goal is to provide a sense of inclusion and opportunity within the community.

The 2026 Drive for Autism Charity Golf Tournament addresses the heightened risk of suicide and self-harm in the autism community. This collaboration continues to raise awareness, decrease social isolation, improve support, and promote mental well-being for autistic individuals and their families.

Your support is invaluable to us. If you have any specific questions about our mission be sure to visit our website or reach out to SAFE.
